### PROFILE

I am an experienced Front-end Web Designer/Developer with over 20 years of expertise in creating visually appealing and user-friendly websites, email marketing and other digital marketing products. Skilled in HTML, CSS, JavaScript, WordPress & Shopify development and various design software. I have a strong knowledge of responsive design, web accessibility, cross-browser compatibility, email marketing, social media, digital strategy and analytics. With over two decades of professional development, design and digital marketing expertise I continue to maintain my knowledge base as well as continually expanding my skill sets in emerging platforms and standards to translate my clients' needs into compelling digital experiences.
